

HELP MAKE COLLEGE EDUCATION AFFORDABLE!

Individuals and companies have many opportunities to make college education affordable and also meet their goals for charitable giving. Since the Rotary Club of New Brunswick received a charter in 1920, it has organized and supported many programs to improve the lives of people locally and world-wide. The New Brunswick Rotary Club Foundation, Inc., a 501^c(3) tax exempt organization, can target a donation into the Rotary Scholarship Fund for awards to college bound graduates and veterans.

Awards are granted to high achieving students with a financial need and community service accomplishments after graduating from New Brunswick, Health Sciences Technology, North Brunswick and Highland Park High Schools. Scholarships will be used for tuition and fee expenses. The Rotary Foundation welcomes gifts for scholarships of any amount which will make a difference to support deserving and outstanding students.

ROTARY SCHOLARSHIPS

Helping people achieve their educational goals to improve their career opportunities is a core priority of the Rotary Club of New Brunswick. Awarding college scholarships to high school graduates is one of the most rewarding and successful programs that the Club started in 1996. We hope to raise a total of \$500,000 by the 25th anniversary of the program.

The Rotary Club of New Brunswick awards scholarships to graduates of New Brunswick, Health Sciences Technology, Highland Park and North Brunswick High Schools who have been admitted to Middlesex County College. The awards are up to \$5,000 over four consecutive semesters for students who meet the scholarship requirements.
